Symbols and Maps!

Family Day

Sunday, November 9, 2014

Noon to 3 p.m.

Museum Members, UM Faculty
& Staff, and Parents: FREE

Non-members: \$5

Explore our exhibitions, *Art in Real Life: Traditional African Art from the Lowe Art Museum* and *Transformative Visions: Works by Haitian Artists from the Permanent Collection*, in the Lowe's galleries and *Places & Spaces: Mapping Science* at Richter Library and Glasgow Hall. Have fun as you learn: our scavenger hunt will introduce you to the art and culture of Haiti and Africa, as well as "Informational Mapping." Complete the hunt fully and win a prize! You can also take part in our enriching art activities throughout the afternoon, including creating your own Haitian *drapo* (decorative banner), constructing an African mask, and exploring our hands-on activity trunk!

Art in Real Life and *Transformative Visions* were organized by the Lowe Art Museum, University of Miami. *Places & Spaces* is co-sponsored by UM's Center for Computational Science, School of Communication, College of Arts and Sciences.

Lowe Art Museum exhibitions and programs are sponsored by Beaux Arts and the museum's general membership. Additional support is provided by the Miami-Dade County Department of Cultural Affairs and the Cultural Affairs Council, and the Miami-Dade County Mayor and Board of County Commissioners.
