# Magic Leap 2 Developer Event

September 20, 2022 • 5:00-9:00 PM
University of Miami • Lakeside Village Auditorium
1280 STANFORD DRIVE, CORAL GABLES, FL 33146

Come see how the power of Magic Leap 2 and Unity will transform how extended reality (XR) is used in industries such as Healthcare, Aerospace, Manufacturing, Real Estate development and many others. Join us for customer use case presentations from Magic Leap, Unity, PeakActivity, and others, followed by an Ask-Me-Anything Q&A Session and a networking reception.

This event is free and open to the public.
